

## Experience

### The Co-operative Bank / Design Manager

2018 – Present

A contributor/manager role both leading a design team and as lead designer on multiple product teams. Responsibilities included recruitment, design ops, product design, stakeholder management, career development, and design leadership.

### PaperKite / Interaction Designer

2015 – 2018

At PaperKite I worked as part of a brilliant and ambitious team. My role focused on defining creative experiences for cutting edge apps. I also helped establish PaperKite's UX research approach.

### JTB Studios / UX Designer, Front-end dev

2013 – 2015

As a designer at JTB I was involved in every phase of digital projects. From planning to wireframing, design, and front-end development.

### Freelance / UX Designer

2012 – 2013

### ASAP Ventures / Digital Designer

2010 – 2011

### Unique Perspectives / Designer

2010

### The Brand Union / Designer

2009

## Education

### MA Professional Design Practice / Dublin Institute of Technology

2009 – 2010

### BSc Multimedia Studies / Dublin City University

2006 – 2009

## Skills

Interaction design / Visual design / UX design / Design thinking / Prototyping / Information architecture / Wireframing / UX research / HTML + CSS / Javascript
